

One-Verse evangelism

[I N V E S T]

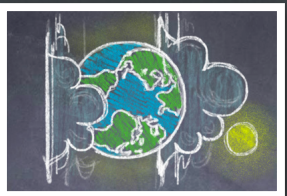

Many times we feel that to be effective in evangelism we have to create complex illustrations and memorize a seminary-worthy number of verses. But the gospel is most powerful when shared with love, clarity, and (sometimes most importantly) simplicity.

One-Verse Evangelism® is a simple, interactive way to share Christ's love conversationally and visually. As you are in a conversation with a friend, you can illustrate **Romans 6:23** on a napkin or piece of paper to explain God's relationship with people.
