

RPC Families,

The Family Ministry at RockPointe Church is excited to announce our Phase™ Resource Program!

**There are approximately 936 weeks from the time a child is born until that child grows up, graduates, and moves on to whatever's next.**

Each week in that child's life is special and unique, with an inability to be reproduced. That means we have one shot to capture the moments of that week.

There is immeasurable potential tucked away in the early years of a person's life, with phases that we go through that have distinct opportunities attached to each one.

We've heard it said often: "It's just a phase." Rather than implying that each phase is a time we must simply endure, we want to suggest something different:

**"Every phase is a timeframe when you can leverage distinctive opportunities to influence a kid's future."**

At RPC, we believe that parents are the primary spiritual nurturers of the family and that the church's responsibility is to come alongside parents in that journey.

**You Can Do It. We're Here To Help.**

The Phase™ Resource Program provides parents with a Phase™ Summary or Phase™ Book for each of their children's birthdays (for ages 1-4) or grade level promotions (for grades K-12).

Parents will receive a letter during the month of their child's birthday (for ages 1-4) or during the summer months (for grades K-12) inviting them to stop by the Phase™ Resource Kiosk to receive their free gift from the RPC Family Ministry. The letter will serve as a voucher for the free gift.

We look forward to partnering with you as you continue in your parenting journey!

God Bless,

The RPC Family Ministry Team
