

## Allen & Christi Victor: A Small Group for Teens & their Parents

### **Background of Group:**

- 7 families with high school teens and some older kids
- Group began in Fall 2016
- We meet on the 1st and 3rd Sundays of the month, from 5:30-7:30 PM. The host for that week plans a life skill to share with the kids to prepare them for life as an adult, as well as a spiritual lesson for the night. We eat a meal together also and share time of fellowship and prayer.

**Purpose/Vision of our Small Group:** The purpose of our small group was borne from a need to pour into our own high schoolers as much as we could before we launched them into the great wide world. We are a group that seeks to prepare our kids to own their own faith before they head off to college, and to know some general life skills. Our vision is to utilize the skill sets from each family in order to teach and train our kids, all while giving God the glory for how He has uniquely created each of them.

**Topics & Lessons we've covered in our Small Group:** Our group has cooked together, changed a flat tire and boosted a car battery, learned the importance of compound interest, and how to tip at restaurants! We have studied the origin and history of the Bible, looked closely at Frank Turek's "I Don't Have Enough Faith to be an Atheist," and looked further into the Genesis characters. We also enjoy attending events to support small group family members, and their various arrays of talents!

**Praises/Highlights:** We have seen a number of our youth ask about and investigate their faith and come out boldly owning it for themselves.
